

CONSTRUCTION ALERT

State Route 1 (PCH) Pacific Coast Highway Safety Improvement Project begins Mid-September 2006

What: The California Department of Transportation (Caltrans) will begin construction on a \$3 million median barrier project along a 1.8 mile section of the State Route 1 (SR-1) Connector between Interstate 5 and Coast Highway, in the City of Dana Point.

When: Restriping of lanes to accommodate placement of K-rail will begin on **September 13, 2006** for two nights. The project is anticipated to be complete in Mid-2007.

****The restriping work is expected to generate noise as construction crews sandblast away old lane markings and place temporary striping within the construction limits**

Why: This State funded safety improvement project involves upgrading existing metal guardrails with concrete and the installation of concrete median barriers. The improvements will be less maintenance intensive resulting in less exposure to live traffic conditions by maintenance crews. The improvements include:

- Upgrading the existing median barriers from Camino Capistrano Under Crossing to the Northern limit of San Juan Creek Bridge.
- Installation of new concrete median barrier on Camino Capistrano Under-Crossing, thus closing the gap between the existing barriers.
- Upgrading existing northbound right shoulder bridge railing and metal beam guardrail for Doheny Park Road on ramp to the end of San Juan Creek Bridge with concrete barrier and railing.

Every effort will be made to minimize impacts of construction to residents and businesses in the area.

Please contact **the Orange County Transportation Helpline, at 1-800-724-0353** if you have any questions about this project or any transportation or transit project in Orange County.

Individuals with sensory disabilities can obtain this document in an alternative format by calling California Relay System at (800) 735-2929 and (949) 756-7813 TTY.

During construction we caution motorists to “Slow for the Cone Zone”, stay alert and proceed with caution. Remember-- traffic fines are doubled in construction zones.

****Suggested detours for planned road closures at Doheny Park Road, Camino Capistrano and Northbound State Route 1 are on the back page of this flyer.**

Suggested Detours:

Detour #1: Closure of Camino Capistrano Under Crossing at PCH (SR-1) Detour:

- Westbound motorists: Turn right on Victoria Boulevard, left onto Doheny Park Road to the southbound on-ramp to State Route 1 to Camino Las Ramblas, turning right at Via California, right at Via Fortuna, left onto Via Canon to Camino Capistrano.
- Eastbound motorists: Turn right on Via Canon, right on Via Fortuna, left on Via California, left at Camino Las Ramblas to State Route 1; exit at the Doheny Park Road off-ramp. Turn right on Doheny Park Road to Victoria Boulevard to Camino Capistrano.

Detour #2: Northbound SR-1 at Doheny Park Road

Motorists will exit at the Doheny Park Road off ramp; turn right on Doheny Park Road, left on Stonehill Drive, left onto Del Obispo Street to Pacific Coast Highway.

Detour #3: Doheny Park Direct On-Ramp to Northbound SR-1 Detour:

Motorists will enter northbound SR-1 at the Doheny Park Road loop on-ramp.

Ramps and local streets will close during the day from 9 a.m. to 3 p.m., Monday through Friday. Northbound State Route 1-(PCH), will be closed from 12 a.m. to 5 a.m., Monday through Friday. Detours will be posted.
